December-,

getting ready for the celebration that comes only once a year..
Today is Saint White's day.

There is a festival opening in our Azumano Junior High.

when the streets are buzzing with pepple as they are excited about

Daisuke!

you forgot your tie!

Today is a special day.

Oh!

I'm already excited

WHAT!!

To the one I like?

They say that giving white ribons are going to be popular this year.

It's a present. For the girl that Daisuke likes..

It's true.

Because I became an employee for the festival preparation committee in school, busy preparing and attending meetings,

Okay

Let's have it done pretty

How can a festival preparation employee not wear his tie?

I was able to avoid being Kaitou Dark but..

The problem isn't that!

I wasn't able to buy a present for Risa for the festival that is held once a year because I was BUSY!

I'm not going to have time to give it to her anyway!

It's OKAY.

with my sense of style, everything will be perfect

Aww.. You don't have to be embarrased..

I'll give you this, so bring it to school.

You didn't have time to buy her a present..

ah..

there's no end to this

ah..

it's heavy!

ah..

TAKE. IT. TO. SCHOOL!!!

DAI-CHAN!

..I can't give it to her.

Don't forget to tell me what happened!

Have fun!

W.. why do I have to..

It's a ribon, can't you tell? Isn't it pretty?

W.. what is that?

Here, Dai-chan.

I will be home very soon. Kosuke.

我會在近期內回家。

介助

Kosuke san is coming home

Kosuke san is..

What is it Risa?

a white ribon?

You don't know? Riku?

No. How does it relate the Saint White festival?

are you really a girl?

that's harsh..

how Kosuke san is doing..

I wonder..

he's just like his father

I don't know why he gets so embarrassed. Just like Kosuke san..

There aren't any letters from..

him...

I wonder what it says.

AHHH!! Hahahaa

IT"S FROM KOSUKE SAN!

It's okay, he annoys me. he always try to prove that he's masculine..

Is it okay to treat him like that? he is the student principal, you know..

If he wants to help, he should be more..

even though he isn't at all

Then why don't you carry it ALL

OH REALLY?

But if you get a white ribon on Saint Whites day and the boy ties it to you,

your love will come true.

How can I wear a dress when I'm working?

It'll make my underwear show..

And your clothes too! Where is your class dress that we made?

but I was busy working as a preparation employee..

How can you NOT hear about it, It's really famous amoung girls!

W.. WHAT ARE YOU DOING?

oh, hello..

Let alone the hello or whatever.. this is the 3rd floor!!

oh.. I'm sor.. ry..ooh..

That silly talk..

I have to move this to..

Girls shouldn't be moving these.. do you want 'me' to carry it?

I 'will' carry it with you.

You don't have to feel sorry, I am a man you know..

ahh.. Ukawa senpai..

That looks heavy,

Harada san..

Don't worry, I'm good with heights..

whatever! just come inside!

I was just trying to put this on the window..

!!

baka!

w.. wait, Risa!

D.. Daisuke!

It's going to be the meeting time soon..

oh...

I see...

umm...

it's kinda awkward..

because of last time.. I keep thinking of it.

He couldn't have meant it..

He has Risa..

I love you

KIDAISU

Did someone drop this?

there he is!

.....

!

咚.....

.....

If it goes on like this, I will never be able to give her the present!

I can't leave my spot in cooking. Thanks!

What??

please give this to the newspaper crew.

uh...

Ah!

Are you okay?

I'm sorry I dropped it!

He must have thought I was Risa!

Why didn't I think of that?

It was dark and, even I was mumbling..

Huh? oh yeah!

But..

Then,

.. I can't tell him that now~!!

we will begin the Saint White Festival!

I have a favor to ask you..

Takeshi??

Daisuke!

I have something to give you..

.....

I wanted to give this too..

I'm sorry!

Oh yeah

What should I do.. I held her up but where is it?!

It hurts..

let me go..

Ri...

Risa-san

Ri..

Daisuke??

don't go!

wait, Risa!

Dark san!!

my precious one was taken by the other me.

The one I like is..

The one hope that I grabbed on began to slide away from me

Why don't you just become one with me?

It meant my complete defeat...

to Dark.

（後篇）

But the things I did know.. was Risa's feelings..

and my hopelessness in loosing the ribon..

That moment.. Everything became dark around me.. I don't know if it was because of the certains or not.

was very heavy and dark..

The despair that I was driven to..

it was...

the real darkness

What is this??

AHHHHHH!!

It's the 'same'..

This doesn't make any sense!!

Is that so..

But because it has nothing to do with the love DNA,

only the inside changed..?

Daisuke.

you ran away from your problem, didn't you?

!

No I didn't!

It is hard to work with your appearance..

It's okay, it's okay.. it doesn't matter to me..

What can I do??

Huh?!

Daisuke?!

What is this in-the-middle transform??

Let's see..

.....

The one I like is Dark san!!

You were dumped by Risa..

But the harder the obstacle,

the more enthusiastic I become

Dark..

He's going to play all he wants, pretending he is me!!!

Or my name isn't Kaitou Dark!!

Why is the timing so bad with me and Niwa kun...

I'll take just a while. Just for a moment!

oh! I don't see Niwa kun anymore..?

with this stupid person..?

Niwa kun...

must have given Risa the ribbon...

Then,

just for a moment..

Harada san!

Niwa..!

Niwa kun...

Ah!

Just watch..

DARK!!

What are you trying to do?!

This looks like a good place.

Ukawa senpai??

I have something to say to you

Can I.. talk to you for a moment?

I couldn't even talk..

(blush)

it's just.. you looked so different from the other days that..

No.. it's not that..

W.. What is it? I was wondering why you were standing so silently..

Riku was looking for you

What about the work?

What are you doing here?

she's one of the friend of Risa's..

Are you trying to ditch your work?

You shouldn't do that!

Hukuda Ritsuko!

Good work, Kosuke kun..

Great! You're so wonderful, Kosuke san!

It's not over yet..

Even though he has the appearance of Daisuke, he is still

It's an old item that used to be known to carry magic.

What are you doing to me??

AH!

Daisuke back..!

Won't you bring..

You're the only one who can do it..

That seal will not be broken until you and Daisuke agree to have it broken.

Dark

You know better than I do how that works..

How does an old item have this kind of power

Soon it will be 15years since Hikari Rio died.

The time when 'his' family and Niwa's family to draw a conclusion will soon come..

Emiko..?

You've got a lot of things on your back because you married me..

You're not a kaitou..

So... Kosuke san..

Did you solve all the mystery?

Not yet..

There are still couple more left..

It echo's through my mind..

Please hurry!

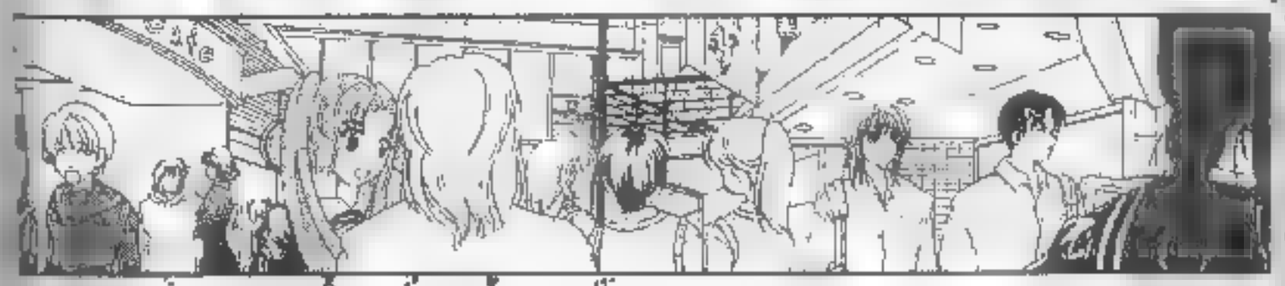
After a quick investigation around school, I found you to have the most girlish appearance..
It's for me to study.. and you must give full cooperation as a citizen in this investigation.

Everyone is staring this way..!!
I wonder if he's a high school student?
doesn't he look hot?
He looks so cool

Oh my god!!
Hiwatari kun asked Risa out!!
Me?



Then don't ask for me in front of all the girls.. Who knows what they'll say to me later
what are you going to do if they make a scandal out of it!
not really..
Hiwatari kun.. so..
did you have something to say to me?
W.. what is it?
凝視！

Wha.. what's wrong, Hiwatari kun!

...

Ah!

!!

偷瞄

I guess.

he's a bit good looking..

Boy's with glasses on are not my type..

he's rather.. beautiful for a boy..

but if I were to describe him..

Did it come.. finally..?

!

It's nothing..

I don't think your glasses are broken.. here..

No, it's not that..

?

I'm sorry, I didn't know that your eyes were that bad..

I just want to see it!

Nothing will happen even if I take it off.

It'll be strange if something 'does' happen

Oh yeah.. don't you take off your glasses for a moment?

Why?

It feels exciting to steal something at a situation like this.

DAISUKE

WITH

They matched their clothes together.

Just incase they transform.

It was my wish to see them like this one day

With.. you act like Daisuke so no one will notice! Got it?

Uh huh.

Okay, so I'll steal the Moonlight Mask and Riku's photo..

It's 8:55pm right this moment.. and soon it will be 9, the time when Kaitou Dark will appear.

Get out of the way!! We're trying to film here!!!

Because today is the National Foundation Day

Everyone is here to see Dark in person!

This is in front of the Azumano Rugaru Art Museum.

Move it!

You're blocking the view!!!

TELEPHONE

Then.. I have some where to go.. so I'll be going..

See you tomorrow!

...you say...

See you tomorrow,

The target is the 'Moonlight Mask' huh?

Will Dark be able to succeed?

he hasn't come out yet!

And it's 9 o' clock!!

Is he.. captured

嘩然…

Where is Dark?

KDAS

With all these reporters and camera's..

I'm sure Dark will be taped..

But what's the use if we don't have him taped on ours!

That's true.

I wonder if we'll be able to film the scene right..

Where did all these people come from..

咚！

Now!

Got you!

Got you!

Ah!

Ah.

Umm.. if you were going to jump me..

couldn't you have done it more sexier..

What'll I do!!! I touched him!!

You're going already?

DARK!

呀啊

討厭

Ooi Daisuke!!

Where are you going!!

To the washroom!

why.. is everything like this..

It was easy to steal the mask.. but..

The MoonLight Mask has been stolen!!

All with fake envelopes!!

everywhere I go.. they spot me..

And I can't hit them either!!!

Why are there so many girls!!!

STOP!!!

I FOUND DARK!!

D.D.
DARK

If you don't give it to me..

kids.. close your eyes..

I might have to get rough on you..

I guess you're weak in front of this kind of appearance.. huh..

DARK

Looking for this?

.....

Would you mind handing that over?

.....

嘶!

卡!

...!?

Thanks.

If you were a girl..

You would have been just my type..

real bad! we might get caught for real!

GOD!

You always get a away if we talk long..

so you'll have to sleep from here..

!!

Filming in a place like this must have permission from the police..

I gave the photo to the officer that is going to guard the Museum..

And you were to come here to get the photo..

for you were afraid that anyone would see the photo..

I didn't know you had such a hobby..

Sir Satoshi Hiwatari commander in chief.

Hi..

Hiwatari kun!!

Hiwatari kun..

I am the real one..

Thank god I gave a special training to With!

That was close!

!

得……

!

That..!

is also the real mask!

!!

That's not...

Daisuke..

!!

LADIES

Till when do I have to stay in this washroom..

it's so dark out that I can't step outside..

I can't even go out.. even though I waited to see him..

This is no use waiting..

DARK...

I wonder if he's gone already..

OK!

With Wizu's help, he made Satoshi follow him instead.. and I got the photo..

Alright! I'm loose!

Ta-da!

and now I just have to sneak out of this place..

Did you follow Wizu on purpose..?

I never saw him look so sad..

Maybe

I shouldn't have confronted with Hiwatari kun like the way I did just now..

It's not like you Hiwatari kun..

I don't want to capture you..

would you return the mask please?

So..

Alright!

If I don't get out of here, I'll never be able to meet Dark..

I thought it was going to be like this..

You're okay now.

I was waiting for you!

ah ah

You were waiting at a dangerous place like this.. for me?

Is it??

DARK...!

kuu

Huh?

(Risa..

she always goes out at night by herself..

.. she doesn't even care how worried her sister feels..

What would she do if she

meets some pervert and...

咚！

!!

No!

Stay where you are!

Harada san!!!!

Niwa kun!!

What were you doing on the roof?

uh..

Ah

Niwa kun! Are you okay?

Wizu Wizu.. transform! transform!

Riku san.. haha

H.. hello!

AHHHHHH !!

The PERVERT!!!

We're going to get run over!!

Why

why do I have to run??

AH!!!

Ahh!!

He's real!!

It's Dark!!!

Dark has been spotted!!!

Roll the Film!!

Get him on TAPE!!

This is going to be the top news tomorrow!!

Alright!

Don't let him get away!

Seize him!

Arrest him!

Arrest Dark!

I think.. we will be safe here..

Kyu

this way!

Wizu!

You go that way! Riku san,

哎？DARK？

你們說的DARK.

Excuse me! Didn't Dark just go through here?

They're headed that way!

Catch him!

I'm.. I'm sorry..

You're too... fast.. Daisuke...

咳咳！

呼！

呼！

I was only trying to find Risa.. here..

he's.. just some pervert guy..

哈哈哈...

It's pretty funny..

he's even more famous than the National Foundation Day...

I didn't know that Dark was that famous..

Wouldn't ... that be him over there?

Why do I have to do this at my age??

Catch him!

Dark! Over here!

Please say something to us!

Stop right there!

that he is me.

What are you going to do.. if I say..

I thought he was you..

for a moment..

but..

Even though he is a Kaitou..

he makes silly mistakes.. Last time, he left one of the stolen art in our house..

w.. what am I saying..

Oh Risa!

..oh.. forget what I've just said

Shut-dup! It's a personal hobby. I'm not going to use this in the commercia

Sir hidden camera is a little

I gotta find Risa!

The one I like is Ri...

I did at first, but..

But now..

梨……

Stop staring at me!

Oww..

If you don't want to see it, go away!

what..

what are you talking about?

That doesn't make any sense.. Oh.. I know.. you're just worried that I might get hurt..

because of what.. I said in the Nurse's Office..

forget about it..

just..

Because I said those stupid words..

I know that you like Risa..

I know..

It's a useless trap against Dark..

But I feel comfortable knowing that it's just here..

Was there a trap like this in the Museum before?

I wonder when I'll be able to meet Dark again..

a.. chu

I guess those fire crackers covers up the end of today..

啪啦...

Dark.. huh..

諾.....

I think I failed capturing him again..

.....

What!

What are you doing??!!

What?

I don't think you need visual

for a 'personal hobby'..

Hey!!

You did wonderful, Daisuke! I'm so proud of you!

yours. no.

Not really.. no

You know..

I think we both fell into a sad love..

with him..

that Wizu was carrying, the real mask?

Was the Moonlight Mask'

It looks the same as the one that I stole today..

You mean, this?

Yup!

Oh, mom!

Okay.. Okay..

ぎゅ

Did studying me about women help a little..

Hiwatari kun..

!

maybe.. you're right..

...

ﾄｸﾝ

DAISUKI!

Oh!

What's this, Daisuke?

Is it a present for me?

No!

Don't look inside!!

No!

oh oh oh oh

oh my god

oh my god

Oh..

哇 Oh!

It's a blank paper..

跌倒

I told her how I felt because of the mask.

Forget it..

Do you want to try it on..?

It has an old saying along with the 'Moonlight Mask' If you put it on your face 'Sunlight Mask' makes you tell only the truth. 'Moonlight Mask' makes you to be more truthful to yourself.

This one is called, the 'Sunlight Mask' ..

we have had it in our house..

Dad!

God knows what disturbance they'll make to call upon each other..

and it's dangerous to have the masks apart from each other..

uh.. huh

點頭

Because Hiwatari has good sense of things..

If the mask wasn't real, he would have known it right away..

點頭

How did the filming go?

Ah!

I was really shocked.

Wow.. it must be hard being you, Daisuke.. how are you pulling off this stuff..

I forgot about Wizu..

忘得一乾二淨!!

NO.2

What are you imagining?

Actually.. when I come to think about it.. You can't take someone's embarrassing photo just like that..

and the whole school is talking about Dark

Oooh..

I couldn't ask her.

Just of the thought that Dark is with me..

It makes me feel so calm
